The Age of Great Deception & The Age of Great Reaction

*"For false Christs and false prophets will appear and they will provide great signs and wonders, so as to **deceive**, if possible, even the elect" (Matthew 24:24).*

For the past two weeks, we've focused on Satan's deceptions as to Postmodern Marxist conclusions about words and language—and about the entire concept of history.

 . . . Other Postmodern deceptions are endless:

First five?

Abimegender: a gender that is profound, deep, and infinite; meant to resemble when one mirror is reflecting into another mirror creating an infinite paradox
Adamasgender: a gender which refuses to be categorized
Aerogender: a gender that is influenced by your surroundings
Aesthetigender: a gender that is derived from an aesthetic
Affectugender: a gender that is affected by mood swings

--"Love People" Open Border? Sex slavery, Fentanyl, Criminal element, Terrorists

--"Education?" Anti-Christian propaganda

--Christian Nationalists & Parents? "Terrorists"

--Israelis? (Jews) Evil   Palestinians (Muslims)? Good

--Artificial Intelligence? *Our Final Invention: AI and the End of the Human Era*

"The book starts with an account of how an artificial general intelligence could become an artificial super-intelligence through recursive self-improvement. Throughout the book, Barrat takes a cautionary tone, focusing on the threats artificial super-intelligence poses to human existence. Barrat emphasizes how difficult it would be to control or even to predict the actions of something that may become orders of magnitude more intelligent than the most intelligent humans."

NEW WORLD AGENDA: (another word shift)   UN: "Be a global citizen. Help us make this world more sustainable . . ."

The deceptions are many—and great.
