The Covenant of the Islamic Resistance Movement (Hamas)

18 August 1988

Preamble excerpt:

Israel will exist and will continue to exist until Islam will obliterate it, just as it obliterated others before it"

(The Martyr, Imam Hassan al-Banna, of blessed memory).

Article Six:

The Islamic Resistance Movement (Hamas) is a distinguished Palestinian movement, whose allegiance is to Allah, and whose way of life is Islam. It strives to raise the banner of Allah over every inch of Palestine, for under the wing of Islam followers of all religions can coexist in security and safety where their lives, possessions and rights are concerned. In the absence of Islam, strife will be rife, oppression spreads, evil prevails and schisms and wars will break out.

Article 11 excerpt:

The Islamic Resistance Movement believes that the land of Palestine is an Islamic Waqf consecrated for future Moslem generations until Judgement Day. It, or any part of it, should not be squandered: it, or any part of it, should not be given up.

Article 13 excerpt:

There is no solution for the Palestinian question except through Jihad. Initiatives, proposals and international conferences are all a waste of time and vain endeavors.

Article 15 excerpt:

It is necessary to instill in the minds of the Moslem generations that the Palestinian problem is a religious problem, and should be dealt with on this basis.
