Psychologist Lucia Grosaru posted, "When a country is ruled based on religious principles, you get the extremism that managed to survive through the millennia. Irrational beliefs should not inspire social policies. Mythology is to be studied (beautiful field) but has no active place in modern societies."

# Leading Italian Parliamentarian: Rome Wants to Return Temple Vessels to Israel

“We have in Rome the implements of the Jewish Temple. The Golden Menorah and many other Temple vessels and tools that we took from Jerusalem 2000 years ago. If you want them – take them. It won’t be easy, but if this is what will enable you to fulfill your Divine role, then please, they are yours. They are laying in our cellars.
