Daniel said:  
"In my vision at night I looked...  
Four great beasts,  
each different from the others...  
"The first was like a lion,  
and it had the wings of an eagle.  
I watched until its wings were  
torn off and it was lifted from  
the ground so that it stood  
on two feet like a man,  
and the heart of a man  
was given to it."

Daniel 7:2-4

The researchers said the site can be identified with the church mentioned by an 8th-century Bavarian bishop named Willibald. Willibald in 724 CE traveled on pilgrimage to holy sites along the northern shore of the Sea of Galilee, and was recorded saying: “And thence they went to Bethsaida, the residence of Peter and Andrew, where there is now a church on the site of their house. They remained there that night, and the next morning went to Chorazin, where our Lord healed the demoniacs, and sent the devil into a herd of swine.”
