Arab violence targeting Jews praying at the Western Wall forced the Israeli police to reenter the Temple Mount on Friday morning. The police were attacked by the Arabs throwing rocks and incendiary devices. The police responded by firing rubber bullets and tear gas.

Arab violence targeting the holy site has continued throughout the month of Ramadan which also saw a wave of Palestinian terrorism. 14 Israelis were murdered during the month of Ramadan and several rockets were fired at Israel from both Gaza and Lebanon. Despite the Arab violence and attempts to block Jews from entering, a record 4,625 Jews visited the site during the pilgrimage festival of Passover. But last Thursday, police locked the only gate non-Muslims are permitted to use, locking also the police stand on the Temple Mount, and abandoned the site. Signs were posted that Jews were prohibited from the site "until further notice."

Al Quds (The Holy = Jerusalem) Day
April 29 (Last Friday of Ramadan)

“The great movement that we are witnessing today in the form of demonstrations is the symbol of solidarity in the Islamic Ummah and will lead to the destruction of the Zionist regime,”

“As promised by God and the dear Prophet of Islam (PBUH), we consider the liberation of al-Quds to be definitive”

Iranian President Seyed Ebrahim Rayeesi

"Once more, Quds Day has arrived. Holy Quds calls all Muslims in the world. The truth is that as long as the usurping, criminal Zionist regime is dominating over Quds, all days of the year should be considered to be Quds Day. Holy Quds is the heart of Palestine, and the entire occupied country of Palestine, from river to the sea, is a continuation of Quds. The Palestinian nation is showing every day that it has stood up and will stand up against the oppressor with an exemplary courage. The Palestinian youth have acted as a defensive shield for Palestine with their self-sacrificing activities and they are harbingers of a different future."

Ayatollah Seyed Ali Khamenei

He underscored that Palestinian people have come to realize that they will not achieve their goals except through resistance and struggle in the path of God (jihad).

The IRGC stressed that any compromise with the Zionist Israeli regime is doomed to failure and will be an unforgivable sin.

The ralliers chanted 'death to the US' and 'death to Israel' slogans and showed anger over normalization of relations between certain Arab states and Israel.
