

None but God

“Now may the God who created the world and everything in it: Bless us and keep us may the Lord make his face to shine upon us and be gracious unto us. May the Lord lift up the light of his countenance upon us and give us peace - peace in our families, peace across this land and dare I ask o Lord, peace even in this chamber. Now and evermore, we ask it in the name of the monotheistic God, brahma, and god known by many names by many different faiths.  
Amen and a woman”

"What we have achieved together and what we're doing together is nothing short of an economic miracle and now we're doing it again," Trump told his supporters.

"You know what that is? That's right. That's God testing me," Trump explained. "He said, You know, you did it once. And I said, 'Did I do a great job, God? I'm the only one who could do it.' He said, 'That you shouldn't say. Now we're going to have you do it again.' I said, 'OK. I agree. You got me.' But I did it once. And now I'm doing it again. And you see the kind of numbers that we're putting up. They're unbelievable. Best job numbers ever. Three months, more jobs in the last three months than ever before."
