Psalm 118: 22

The background features a series of white, wavy lines that flow across the frame from left to right. These lines are composed of many thin, parallel strokes, creating a sense of movement and depth. The lines are set against a solid blue background that transitions from a darker shade at the top to a lighter shade at the bottom.

Tell me, if you understand.

BILL C-4

An Act to amend the Criminal Code (conversion therapy)

Preamble

Whereas conversion therapy causes harm to the persons who are subjected to it;
Whereas conversion therapy causes harm to society because, among other things, it is based on and propagates myths and stereotypes about sexual orientation, gender identity and gender expression, including the myth that heterosexuality, cisgender gender identity, and gender expression that conforms to the sex assigned to a person at birth are to be preferred over other sexual orientations, gender identities and gender expressions;
And whereas, in light of those harms, it is important to discourage and denounce the provision of conversion therapy in order to protect the human dignity and equality of all Canadians;
Now, therefore, Her Majesty, by and with the advice and consent of the Senate and House of Commons of Canada, enacts...

West Lafayette, Indiana proposed Ordinance 31-21

WHEREAS, contemporary science recognizes that being lesbian, gay, bisexual, or transgender is part of the natural spectrum of human identity and is not a disease, disorder, or illness

WHEREAS, the City of West Lafayette, Indiana has a compelling interest in protecting the physical and psychological well-being of minors, including lesbian, gay, bisexual, and transgender youth, and in protecting its minors against exposure to serious harms caused by conversion therapy by unlicensed persons

BE IT ORDAINED: It shall be a violation of this ordinance for an unlicensed person to engage in conversion therapy with a minor person.
